THE 13TH INTERNATIONAL SYMPOSIUM ON INFORMATION AND COMMUNICATION TECHNOLOGY

13 - 15 December, 2024 | Danang, Vietnam

SOICT 2024 is an international symposium covering significant research areas that include AI Foundation and Big Data, Networking and Communication Technologies, Multimedia Processing, Software Engineering, Operations Research for Sustainable Urban Development, Artificial Intelligence and Data Science for Smart Health and Medicine, Recent Advances in Cyber Security. Following the past successful symposium SOICT 2023, which received submissions from 25 countries, the 13th International Symposium on Information and Communication Technology (SOICT 2024) will be held in Danang City, Vietnam on 13-15 December 2024. The symposium aims to provide an academic forum for researchers and graduate students to share their latest research findings and identify future computer science challenges. The symposium will include tutorials and keynotes given by world-class speakers.

This year, the SOICT 2024 is organized by School of Information and Communication Technology – University of Science, VNU-HCM and Danang University of Science and Technology – Danang University. Your participation in SOICT 2024 is surely to be a great experience. We look forward to seeing you in Danang.
